

MCCLD Aviation Spring 2024 Schedule

*The **mission** of our Aviation Program is to positively impact rural America by providing our youth an opportunity through aviation education and career path opportunities, so they can transform their communities and foster healthy relationships.*

MCCLD will host a fall Aviation Academy to focus on youth education for grades seventh through tenth. We will meet at our Wallace Campus every other Saturday beginning Feb10 from 9:30 a.m. to 2:30 p.m. Lunch will be provided.

- Feb 10:** Rocket Building / EAA Fly-In

- Feb 24:** Aerodynamics / Airfield Operations
 - Guest Speaker: Dr. John Cromer, Air Medical Examiner

- Mar 9:** National Weather Service / Aero Center Tour

- Mar 23:** MCAS New River Tour / Apollo Med Flight / OAJ Tower

- Apr 6:** Simulators / Rocket Launch

- Apr 20:** EAA Young Eagles program flight (KACZ)
