

# MCCLD Aviation Fall 2024 Schedule

*The **mission** of our Aviation Program is to positively impact rural America by providing our youth an opportunity through aviation education and career path opportunities, so they can transform their communities and foster healthy relationships.*

MCCLD will host a fall Aviation Academy to focus on youth education for grades seventh through tenth. We will meet at our Wallace Campus every other Saturday beginning Sep 7 from 9:00 a.m. to 3:00 p.m. Lunch will be provided.

## **Sep 7:** Rocket Building | Aerodynamics | Airfield Operations

- Guest Speaker: First Officer Joe Campomanes, United Airline Pilot, Ret. USMC

## **Sep 21:** National Weather Service | Aero Center Tour Rocket Launch

- Guest Speaker: Dr. John Cromer, Air Medical Examiner

## **Oct 5:** Lenoir Community College | KISO Tower Observation | Mountain Air Cargo

## **Oct 6:** EAA Young Eagles program flight (KACZ)
